Online Registration

You can register and pay for semester programs online, which is simple, secure and convenient. It not only makes registration easier for you, it dramatically streamlines the process for staff, and over time, it will reduce the cost of printing and mailing course books, all of which will leave more time and money for programming.

**How to Register Online**

Log into your Community Pass account and simply follow the prompts to review the programs, make your choices and complete the registration. You can securely pay electronically (with a small processing fee added to the total), or you can choose to pay by check or cash.

If you have NOT activated a Community Pass account, please email Tracy Dubin (tracy@founders-hall.org). She will send you a log-in user name and password so you can take advantage of online registration for spring semester.

If you don’t use email or would like some guidance in using online registration, please see Tracy or Grace for help.

If you prefer to use paper

Complete the form on pages 16 - 21 and mail or drop it off with payment.

**Whether You Register Online or On Paper**

Spring semester programs begin on Monday, March 30. Programs are subject to change and/or cancellation.

If more people are interested in a class than there are available spaces, we will use a random lottery to assign places. All PAID registrations received by 6:30 pm on Tuesday, March 17 will be included in any necessary lotteries. If there is not space for you in a class, we will notify you and refund your payment. No news is good news. You will not hear from us if we are able to enroll you as requested.

Registrations are non-transferrable. We do keep waiting lists for those who wish to join a filled class.

**Fitness Registration**

Registration for 2020 fitness classes opened on October 15, 2019. Please check with Tracy Dubin regarding class availability.

**AARP Smart Driver Course**

Founders Hall sponsors this course, which will familiarize drivers with new traffic laws and regulations, new roadways, changes and updates on cars, safety procedures and tips, and adapting to driving as you get older. These four-hour classes, held at Ridgefield Crossings, are scheduled for March 10, May 12, July 14, September 8 and November 10. Check with your auto insurance company, as rates may be reduced after completion of the course. Because New York State mandates a six-hour course and Connecticut mandates a four-hour course, NY residents must check with their insurance company regarding approval before enrolling for any of the Ridgefield classes.

Call William Van Hall at (203) 748-2344 for registration and more information.

**Cicero: On Old Age and On Friendship**

Long before the abundance of today’s voices dispensing advice to the elderly on how best to live a rich and meaningful life there was the ageless pen of Marcus Tullius Cicero. In 44 BC, this preeminent Roman orator and prose stylist, wrote two of his many insightful and vital essays, reflecting on what he had gleaned from six decades of living through tumultuous times. The first of these, *On Old Age*, was written as one old man to other old men, particularly those obsessed with the pursuit of youth. In his second essay, *On Friendship*, he elaborates on the different aspects of friendship and its special duties in an everyday sort of way, replete with maxims and recommendations. Through thoughtful reading and collegial discourse we will unpack the wit and wisdom of each, seeking their meaningfulness and practicality to us as people of a certain age in this special time and place. Our common text will be ‘Marcus Tullius Cicero On Old Age and On Friendship’ available through the registration form for $9. Class is limited to 25.

4/14 Mutiny on the Bounty - Clark Gable and Charles Loughton go after each other in the South Seas.  
4/21 Mr. Roberts - Henry Fonda made the film after playing Roberts for four years on Broadway. No shots are fired and no blood is spilled, but this is one of the great movies about WWII.  
4/28 Captain Phillips - Tom Hanks as the victim of modern pirates.  
5/5 The Cruel Sea - Jack Hawkins is the captain of HMS Compass Rose in a fine adaptation of Nicholas Monsarrat's novel.  
5/12 Castaway - Part One - Tom Hanks must learn to fish after he is marooned alone on an island after a plane crash.

History: Leadership in Turbulent Times

Are leaders born or made? How does adversity affect the growth of leadership? Does the leader make the times or do the times make the leader? These are some of the questions that Doris Kearns Goodwin will address as we read her book, Leadership in Turbulent Times. This book (available through the registration form for $15) will focus on the following four presidents: Abraham Lincoln, Theodore Roosevelt, Franklin D. Roosevelt, and Lyndon B. Johnson. The book tells the story of how they all met with hardship in their lives. All four used resilience and a sense of moral purpose to confront the challenges they faced to lead our nation. Hope to see you in the class.

**Unlocking the Treasure of Poetry: Art and Craft - Part 2**

Building on Part 1 of this class (Fall 2019), we will review and learn more about poetic forms and literary devices, but our primary focus will be on poetry which shares common themes, structures, and compositional philosophies. As before, we will consider how and why poets choose particular literary devices or structures to achieve their artistic goals, improve our skills of literary analysis, and have opportunities to write poetry in various styles and forms - all with the goal of enhancing appreciation and experience with this beautiful literary genre.

Please note that Part 1 is NOT a prerequisite for Part 2.

**Writing: A Shared Experience**

Members of this self-directed group of skilled writers present works of prose and/or poetry for group review and comment with copies of the work provided to each class member. We believe that thoughtful, honest commentary is essential to improving our individual writing skills. Each week a different class member leads the discussion and may send out writing prompts prior to the class. Class size will determine how often an individual gets to read. The optimum size of the class is fourteen or fewer. While there is no stated limit, class size in excess of that number may require a change in format or establishing an additional class.

### Writing Workshop

‘We each have a story to tell. It needs to be told; it wants out. Discover your story in this writing workshop where each participant is both a teacher and a pupil. The process is joyful and rewarding, as we hone our skills and learn.’ Each week write something of your choice within two pages - an essay, memoir, poem, short story - read it in a friendly environment, and receive constructive feedback. Bring enough copies so each class member will have one. Feedback will focus on clarity, grammar, punctuation, and organization of the piece. Everyone stands to gain as we sharpen our writing skills. The class will be limited to 16 participants in order to have sufficient time for presentation and feedback. **Class will not meet May 25.**

Freehand Architectural Drawing/Sketching and Architects’ Hand-Lettering
You don’t need to be an architect to draw freehand building facades of either your family home, favorite historic building, or any other architectural features such as belfries, intricate period doors, stylistic Art Nouveau and Baroque design elements, or Gothic tracery windows. These can be done in pen and ink or in two- and three-tone color linework and washes. As part of this course, students will also learn the classic all caps draftsmen’s hand-lettered script (think blueprints), influenced by the Arts and Crafts period. Finished sketches and drawings will be suitable for framing or may be printed on personal note cards. Class will not meet April 14 or May 26.

Advanced students who have them should bring their own colored pencil sets. **Class will not meet April 15.**
